

Mackenzie Valley Resource Management Act WORKSHOP

Save the date
February 26-28, 2019

Midnight Sun Complex Inuvik NT

The workshop will cover the integrated system of land use planning, land, water, and wildlife management, environmental assessment, cumulative impact monitoring and auditing as established through the Gwich'in Land Claim Agreement and the Mackenzie Valley Resource Management Act.

This event is being hosted by the co-management Boards in the Gwich'in Region and the Government of the Northwest Territories.

On-line registration to open soon.
Stay tuned for more information.
